### REGARDING:

Acqueducts. Existing water supply systems in Addis Ababa and other towns are being repaired as fast as possible. New system will be installed. Projects being studied for acqueducts at Jijiga, Harrar, and Diredawa.

865D.151/1

### Aqueducts.

The existing water supply systems in Addis Ababa and other towns are being repaired as fast as possible. In the capital, as elsewhere, however, a new system will have to be installed. The authorities are now studying projects for aqueducts at Jijiga, Harrar, and Dire Dawa, and the work will soon begin on them.

FROM Italy (Phillips) DATED May 28, 1937  
TO NAME 1-1127 GPO

REGARDING: Sanitation- Italian East Africa. Projects in connection with,--

865D.151/2

4. Sanitation. These projects include the work necessary to supply water to the various centers and for the construction of wells and watering places to promote the raising of animals and to provide suitable pasturage. Adequate funds have been appropriated for the initial construction of sewage systems, cleaning up of towns, and anti-malarial work.
